James Meredith

I want you to keep these, just a few of
the opinions people have of you. I'm sure you
do not care you are so brain washed by
the Communist then you will make like
it your own idea wanting to get in this
college, you know that every one knows
you are being paid to be their stooge figure
and you don't have any more principle than
to cause all the trouble even your own
race don't like you only the other that
have no more sense than the whole
Southern negro know their place
and are happy being with their own color
you keep not think the Kennedy are
caring one thing about the negro welfare
just want their vote so they can get
in office and become dictator you want
be one thing in their sight you are only
helping Communist to take over cause I'm
sure you know that, you don't care one thing
about what you will take in college cause
we all know you can't study under the
God old manhood man if you had one grain
of sense you would slip out from there
while you are alive.

Wake up Dixie, and stay white ^{more}
